

Job Title: Landscape Designer

Location: Lafayette, LA

Company Overview:

At Scapes Inc., we are dedicated to transforming outdoor spaces into vibrant, living components of our clients' environments. We pride ourselves on our meticulous attention to detail, commitment to quality, and passion for design and sustainability.

Position Summary:

We are seeking a skilled and enthusiastic Landscape Designer to join our team. This full-time position requires a proficient individual who is capable of meeting with customers to understand their vision, creating detailed drawings using AutoCAD, and accurately estimating project costs. The ideal candidate will have a strong understanding of various plants suitable for our climate and the ability to use basic computer applications efficiently.

Key Responsibilities:

- Conduct initial consultations with clients to discuss their landscaping needs and preferences.
- Design detailed landscape plans using AutoCAD software.
- Prepare and present project estimates, including labor, materials, and timelines.
- Advise clients on plant selection based on climate, soil type, and aesthetic goals.
- Collaborate with the installation team to ensure designs are executed accurately and efficiently.
- Maintain up-to-date knowledge of industry trends and advancements.

Requirements:

- Proven experience with AutoCAD or similar design software.
- Strong knowledge of horticulture and plant species suitable for the local climate.
- Experience in project estimating and the ability to create accurate cost analyses.
- Proficient in basic computer skills, including email, internet research, and MS Office.
- Excellent communication and interpersonal skills, with the ability to engage effectively with clients and team members.
- A degree in landscape architecture, horticulture, or a related field is preferred.

Benefits:

- Competitive salary package
- Opportunities for professional development and career advancement
- Dynamic and creative work environment
